

# B9 Creator v1.2

The B9 Creator v1.2 is no longer being manufactured or sold. Please see our next-generation 3D printer line.

**SEE THE  
B9 CORE SERIES**

The B9Creator has added an additional 30% profit margin to everything I make because I no longer have to pay anyone to produce my products. It's like paying a fantastic employee a one-time salary and never paying them again."

-Frank Kapplow | Delmas Diamonds & Jewelers

## Unbeatable **Versatility**

- Print fine details or large designs
- 3 build sizes
- High level of user adjustability and control

## Top Choice for **Value**

- Low operating costs
- Trusted by thousands of customers
- Open to third-party materials
